EDITORIAL

April 1982

It is now only just over a month to Reach Fair. We have not been getting bumper attendances at the Fair Meetings, but hope that some of you will be available to help on the day. Once again we hope that some people will enter into the spirit of the thing by wearing Medieval costume - if the weather is kinder than last year. If you still have it, check with last years illustrations in "Out of Reach" to give you some ideas. At the time of writing, we are hoping to have another Folk Evening similar to last years. Unfortunately Tapestry Fayre are unable to come in the evening, so I am doing my best to persuade another Folk Group to come. More news of this in next months issue. The next Fair Meeting will be at 8-Op.m. on 15th April.

I am delighted to tell you that I was able to send off the amount of £46 to Dr. Barnardo's. Many thanks to all those who kindly made donations.

A number of village residents have spent spells in hospital during the past month. All our best wishes for speedy recoveries go to Dr.Dick Whitehead, Albert Johnson, Mrs.Joan Cole and Margaret Evans. Congratulations to Michael and Marilyn Aves who had a baby boy, Michael Arthur, on March 10th. Welcomes are extended to the Parker family who have moved into 21, Great Lane and to Kathy and Derek Barrett who have moved into the Ross's house at 14 Swaffham Road. They are no strangers to Reach, having lived here before. Mr. Porter is also extended a welcome, as he prepares to move into the Chicken Farm in Burwell Road.

This will be the last issue of the Magazine to be typed by Joyce Blocksage, due to her commitments. I would like to thank her very much for all her help over several years. Of course this leaves us once again short of a typist. Any offers will be gratefully received.

This months interesting article by Mrs. Flora Lipano, now a resident of Sri Lanka (formerly Ceylon) deals with the little known migratory habits of the Madagascar humped backed turtles, which make their laborious way out of the sea to lay their eggs in the soft warm sands of the Seychelles. What is the mysterious "inner clock" which infallibly brings them into these islands at Easter time? Why do the natives call them

sea asses? and what is the significance of the curious criss-cross markings on their shells? Mrs. Lipano makes a heartfelt plea that 'these gentle giants of the Ocean' should be accorded with the status of an endangered species, and she is hopeful that a trust fund can be set up in this country for their protection. Would any person who feels sympathetic to this cause or merely wishes to find out more, please contact the Editor, who will see that all letters, donations, etc., are forwarded to Mrs. Lipano in Sri Lanka.

Sue Hardiment.

At a recent meeting of the Governors of Swaffham Prior School concern was expressed about the rapidly increasing number of children changing from school meals to packed lunches this term.

If the number of children taking school meals continues to fall the implications could be far reaching for the whole school, and the Governors feel that parents should be made aware of the likely consequences now.

At present there are 43 children taking school meals, a drop of 14 this term. If the drop continues it seems almost inevitable that the school kitchen may be closed and meals will be brought in, already prepared from Bottisham.

Another consequence of the fall in numbers may be a cut in the school meals supervisor, whose time is allocated according to the number of children taking school meals. At present both Mrs. Prince and Mrs. Parnall supervise at lunch time, which allows children a choice of playing outside or in a classroom during the lunch time break. With only one supervisor on duty this would not be possible and the whole school would have to play outside except on wet days.

Chairman of the Governors.
H. Harrison.

FROM THE VICAR.

UNEMPLOYMENT.

A very large number of English clergy have recently received a brochure advertising the work of a new movement called Church Action with the unemployed. All the major denominations are sharing in the movement, which is presently chaired by Frank Scuffham, Industrial Chaplain at Corby.

Its aims are to help the unemployed individually and the unemployment situation generally in various ways, e.g.

Starting an unemployment group

Opening a centre where people can meet for helpful counselling and advice.

Adapting church premises for use as a drop-in resource centre for action, information, leisure and recreation

Joining with others in setting up self-help groups

Promoting discussion among our congregations on the changing role of work in life.

Making unemployment the subject of sermons or articles in Parish Magazines

Sponsoring a scheme under the Manpower Services Commission (MSC) Youth Opportunities Programme or Community Enterprise Programme.

I can only make two comments here. First, it is rather cheering to see that the organisers of this movement endorse the suggestion I made sometime last year, that were unemployment to hit us really hard in this village, places - which are after all our own community possessions - like the Reach Village Centre might quickly come to play a major part, not only in the easing and solving of problems, but in introducing a quite new element into our community life, - places where we could actually be conscious of ourselves as a community.

The Village Hall might come to play a part very similar to the Market place in ancient Athens, where the whole non

Silver Celebration.

A well-known local couple celebrated their Silver Wedding Anniversary in Reach, last month. Ray and Anita Folkes were married on 2nd March, 1957, and chose to mark the occasion by holding a party in the Village Centre on Saturday 6th March, 1982, just over twenty-five years later. Nearly a hundred people - family and friends - gathered there to drink their health, and wish them all the best for the next twenty-five years !

Holding a party in the Village Centre was most appropriate, for Ray and Anita are very much involved in its day to day affairs, Ray as Care-taker and Anita as Treasurer, also responsible for the bookings. (Now you know why you couldn't have it on 6th March !)

Among the guests was Anita's brother - back from Australia at the right time - and Mrs. Norma Peacock, who wishes to be remembered to you all.

The grandchildren, of course, held a lot of attention, but as you can see, they didn't manage to steal all the limelight!
